

January 2025 - Due to the significant damage to life and property from the regional fires, the Federal Government has declared **Los Angeles County** a Disaster region; the immediate effect is that all payments and filings due, including 2024 4th qtr. estimated tax payments (1/15); pass through entity tax filings (3/15); Individual, C-Corp; and Trust tax filings and payments (4/15); 1st qtr. (4/15); 2nd qtr. (6/15) and 3rd qtr. (9/15) 2025 estimated tax payments **are all due and payable by October 15, 2025** for residents and business owners of Los Angeles County.

If you or a loved one has been directly impacted by these fires, please let me know if you have any questions.

All other residents of Los Angeles County have until October 15th to file and pay any calculated 2024 income tax balances due.
